

Membership Overview

Updated December 2010

Of the 16 members of SBE of Education (SBE), five are elected, seven are appointment by the Governor, two serve as student representatives, and one serves as a private school representative.¹ The Superintendent of Public Instruction is also a member of SBE.

Elected Representatives

Of the five public school elected representatives to SBE, two are from eastern Washington, and three are from western Washington.² Candidates for election to SBE must meet several qualifications.³ The length of a candidate's term with SBE is four years, and no elected candidate other than the Superintendent of Public Instruction can serve more than two consecutive four year terms.⁴ The terms are staggered so that no more than two of the positions are open for election in a year, unless a person has resigned.

A separate document covering the election process of elected school board members is available [here](#).

Governor Appointees

Initial appointments to SBE occurred in staggered terms of one to four years in length. When a term expires (on the second Monday of January of the fourth year), the Governor appoints or reappoints a representative for a new four-year term.⁵ Appointees to SBE should meet the following qualifications⁶:

1. Demonstrated interest in public schools and are supportive of educational improvement.
2. A positive record of service.
3. Capable and willing to devote the time necessary to meet the responsibilities of SBE.

Private School Representative

One member at-large is elected to a four-year term by the private school advisory committee board.⁹

Student Representatives

Student representatives serve two-year terms with SBE and are elected from the [Washington Association of Student Councils](#) (WASC). The annual election rotation ensures equal representation from eastern and western Washington and that one junior and one senior fill SBE positions. Each spring, a sophomore is elected to serve. Students from eastern Washington are selected in even-numbered years, with western Washington offering the nominee in odd-numbered years.¹⁰

Qualified students must:

1. Be enrolled in a secondary school throughout the academic years of his or her term.
